## NEURODIAGNOSTIC SERVICES

PROFESSOR ROBERT HEARD

Tel. 02 4323 6077

### PATIENT INSTRUCTIONS

**Please bring this referral, your Medicare or DVA card and any pension or concession cards to your appointment**

#### **NERVE CONDUCTION STUDIES and EMG**

**Wear comfortable loose clothes. The tests may cause some minor discomfort but are harmless. Typically 30-45 mins.**

#### **EEG STUDIES**

**Clean dry hair, no hairspray or product please. You may wish to wear a hat or scarf home afterwards. Routine EEG takes about 1 hour. Prolonged EEG will take at least 3 hours. Please call us for advice on preparing for sleep deprived and ambulatory tests**

#### **EVOKED POTENTIAL STUDIES**

**No preparation is needed. More information can be downloaded from [brainandnerve.com.au](http://brainandnerve.com.au). Please have clean dry hair, no hair product. Please leave valuable jewelry at home**

#### **GOSFORD**

55 Hills Street, Gosford NSW  
2250 Corner of Hills Street and  
Lindsey Street. Carparking from  
Lindsey Street

**Tel 4323 6077**

#### **KANWAL**

Suite C4, Kanwal Medical Complex  
Kanwal NSW 2259  
Entry at Wyong Hospital and take  
left turn at first roundabout

**Tel 4323 6077**
